My Grandmother

My grandmother is an old woman. She is a religious lady. She wears very simple dress. She has silvery hair. She is particular about her eating and living habits. She is the first to get up and last go to bed.

She is loving and affectionate. She has a big heart. She loves me very much. Her gentle eyes and loving hands are always around me. She takes care of my needs. My parents respect her very much. She does not look to her own comforts.

She is always ready to sacrifices for the whole family. She is good adviser. In difficulties we rush to her to seek her advice and help. Even the neighbors are all praise for her.

May she live long!
