A visit to a Zoo - Short Essay or Paragraph in English

Zoo is a place where birds and animals of different kinds and colours are kept. A visit to the zoo is always very interesting. It adds to our knowledge. Only yesterday, my friends and I went to see the zoo.

It is housed in purana quila in New Delhi. First of all we saw water-birds, dusks and cranes in a pond. On the side were apes and monkeys in different cages. The monkeys were jumping on the branches of the trees. In order cages lions, tigers, wolves, bears, foxes and zebras were kept.

The lion was sleeping and the lioness was playing with cubs. They look very fearful. We also saw deer and langaroos. Then we came to the glass – houses. Birds and snakes or different kinds and colours were kept in them. Last of all we enjoyed an elephant ride and returned home.
